

Frequently Asked Questions

THESE FORMS ASK FOR MY LINN AREA CREDIT UNION ACCOUNT NUMBER BUT I DON'T HAVE THAT YET. WHAT SHOULD I DO?

If you don't have your account number with us, that means it hasn't been set up. Hold off on filling out the rest of the forms except for the Membership Application. Bring that form in with you to set up the account, then you'll be set to fill out the rest of the forms.

WHAT IF I NEED MORE THAN ONE OF THESE FORMS?

Feel free to print off as many copies of the forms that you need. You can also make photocopies or stop in and pick up copies of the Switch Kit brochure.

WHAT IF I WANT MY DIRECT DEPOSIT TO GO INTO MORE THAN ONE ACCOUNT?

Mention this to a Linn Area Credit Union employee when you come in to open your account. If you have already opened your account, call us at 378-0101 Ext. 0 and we will get this convenient service set up for you.

WHO DO I CALL WITH QUESTIONS?

Just call 378-0101 Ext. 0 and the most appropriate person to answer your questions will be contacted.

I CAN'T OPEN THE FORMS BECAUSE I DON'T HAVE ADOBE READER. HOW DO I GET IT?

Adobe Reader is free and if you click [here](#) it will walk you through the steps to download this safe, helpful program. Once the program is downloaded on your computer, come back to www.linnareacu.org and click on the forms. They will open up and will be printer ready.
